

The Interactive User's Guide is a tool for assisting users in all areas of program use.

The guide includes information on: logging in, managing accounts, key interactive devices, istation's Indicators of Progress (ISIP), usage, getting started, reports, teacher resources and download instructions.

There are also links to detailed video demonstrations of many of these topics.

To access the Interactive User's Guide:

- After logging into www.istation.com, click on the any of the Reports links on the left side of the screen.
- The Interactive User's Guide link is located in the upper right corner of the various Reports pages.
- Click the link to open the guide.

OR

- After logging into www.istation.com, click on the Teacher Resources link on the left side of the screen.
- This will open the Teacher Resources section of the website.
- The Interactive User's Guide link is on the left side of the screen.
- Click the link to open the guide.

OR

- After logging into www.istation.com, click on the Help link, located in the top right corner of the screen.
- Clicking this link will open the Interactive User's Guide.
