

How to Exit ISIP™

Be sure your students log off completely when they finish using the ISIP assessment.

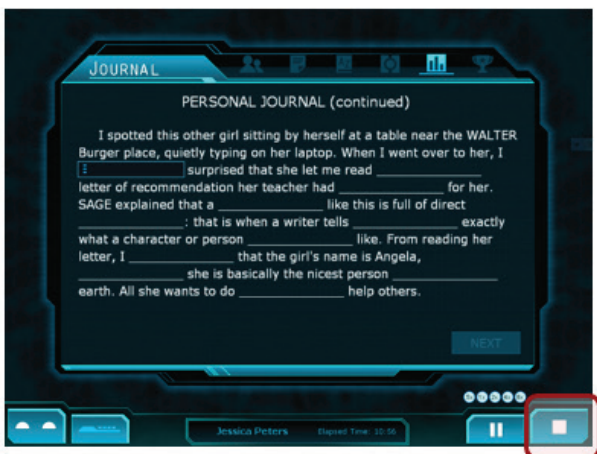

1. Click the STOP button in the lower right-hand corner.
2. A window will appear with “Are you sure you want to exit?”
3. Click YES to exit the program and ensure data is immediately saved.

NOTE: Although the **STOP** button may look different depending on the current lesson and level, it will always be located in the bottom right-hand corner of the screen.

Here are the variations that you will find when using Istation:

This process should be followed in all situations to ensure data is properly saved. The next page contains additional examples of when your student should completely log out of Istation's assessments and instruction.

Completed ISIP Only

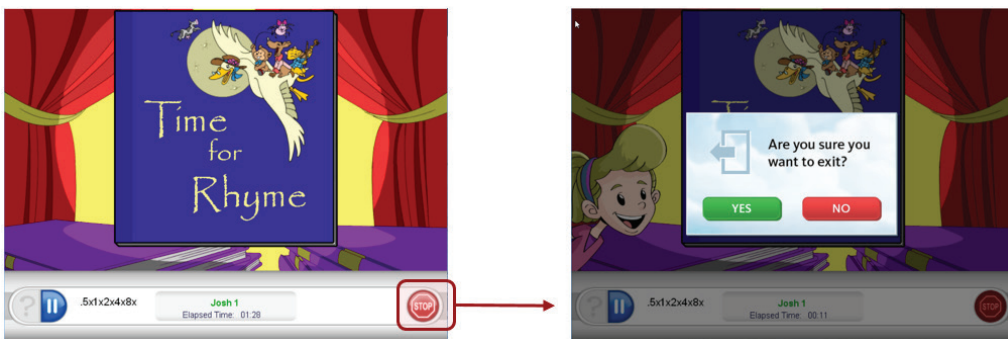

Be sure your students log off completely when they finish the ISIP assessment.

NOTE: Even if a student completes the assessment and reaches a “The End” screen, this process still applies.

Completed ISIP and Exiting Instruction

Be sure your students log off completely when they finish the ISIP assessment.

NOTE: If a student completes the ISIP assessment and then begins instruction, they must still click the **STOP** button and select **YES** to ensure the data is properly recorded.

Completed ISIP and Exiting NexLevel

Be sure your students log off completely when they finish the ISIP assessment.

1. Click the **STOP** button in the lower right-hand corner of the screen.
