

**Istation Reading &  
Istation Español**  
HOME USE

**Istation Home is the home-based version of the powerful and proven computer-based Istation program. Thanks to Texas state funding, all public school students and open-enrollment charter school students have free and unlimited access both at school and at home to Istation Reading (grades 3-5) and Istation Español (grade 3) through Texas SUCCESS.**

### **Why Istation Home?**

Istation is a comprehensive computer-based reading and intervention program that maximizes students' reading fluency, comprehension, retention, and academic success. Its easy-to-use components work together to enhance student growth.

- It's an ideal way to reinforce classroom instruction and get parents more involved in their child's education.
- Istation's interactive, animated stories make "homework" something kids can look forward to.
- Istation's interactive curriculum, used by students at home, will adjust each student's curriculum dynamically, placing them into the program where they left off in school!
- The program will be available beginning March 2016, and is accessible 24-7.
- Istation is compatible with PCs and Mac-compatible.

### **Istation Helps Parents Get Involved and Stay Involved!**

- Istation's interactive, animated lessons encourage parent involvement.
- The program includes tips and suggested activities for parents to help reinforce their child's learning and strengthen the home-school partnership.
- All reports and tools for parents are provided in English and Spanish.

### **Parent Recruitment Materials Included!**

- The program includes parent information that can be printed on your school letterhead and sent home with students to inform parents about their no-cost access to Istation Home.
- The parent information will provide parents with clear sign-up instructions in both English and Spanish.

The Istation program will be available through Texas SUCCESS through August 31, 2017.
