

Use the following instructions to install Istation on iPads that meet the system requirements. (To view the system requirements, visit www.istation.com/support.)

Step 1: On the iPad, open the **Safari** app.

Step 2: Go to www.istation.com/support or select the **Download & Technical Info** button at the top right of any page at www.istation.com.

Here you will find a wealth of resources to answer any questions you might have. If you have purchased an Istation product and are ready to install, you are in the right place!

1. Before downloading the Istation application, please make sure your system meets or exceeds the minimum hardware requirements by reviewing the **technical specifications** below for your platform.
2. Click on the appropriate **download** option for your platform.

Step 3: Scroll down the page and tap the **Download on the App Store** button in the **iPad** section.

Step 4: Tap the button below the Istation app name to download the app. This may be either a blue **GET** button or a **blue cloud icon** with a down arrow.

Step 5: Sign in to the iTunes Store if you are prompted. Then wait for the app installation to finish.

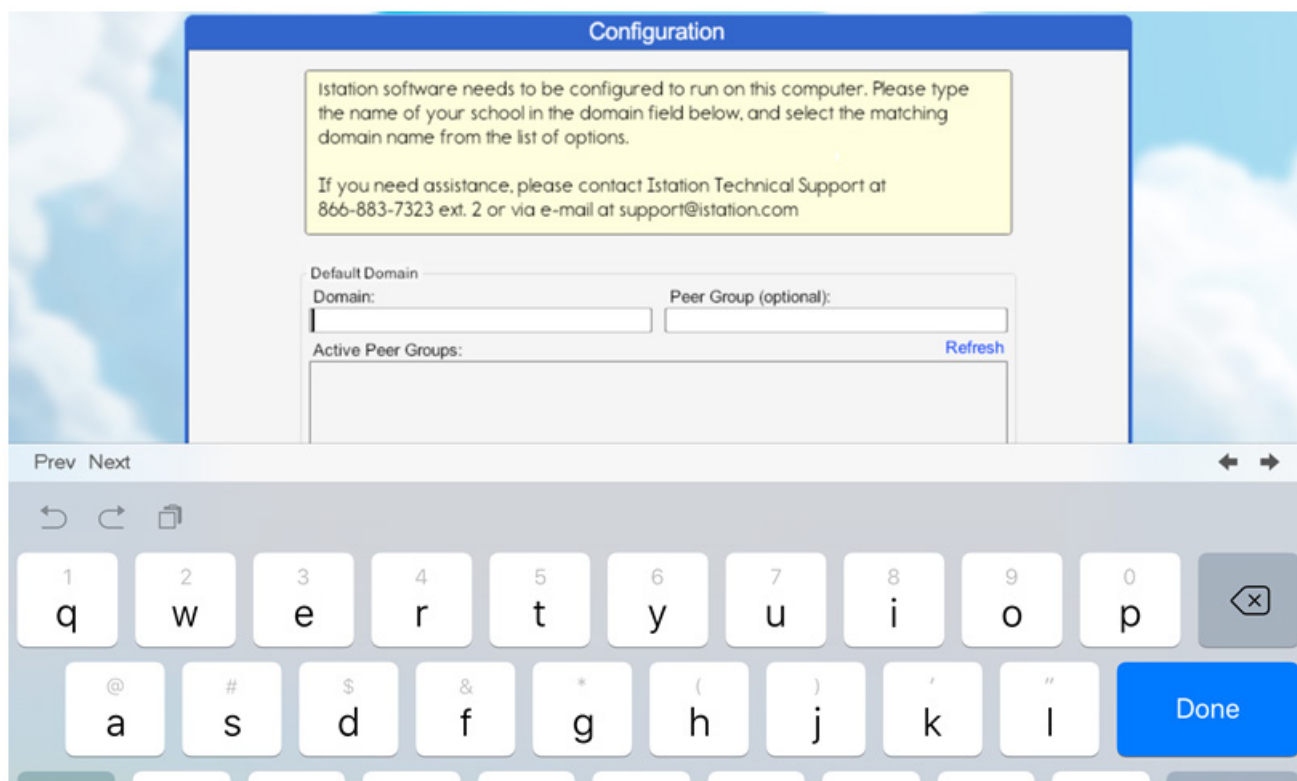

Step 6: To start Istation, open the **Istation.com** app.

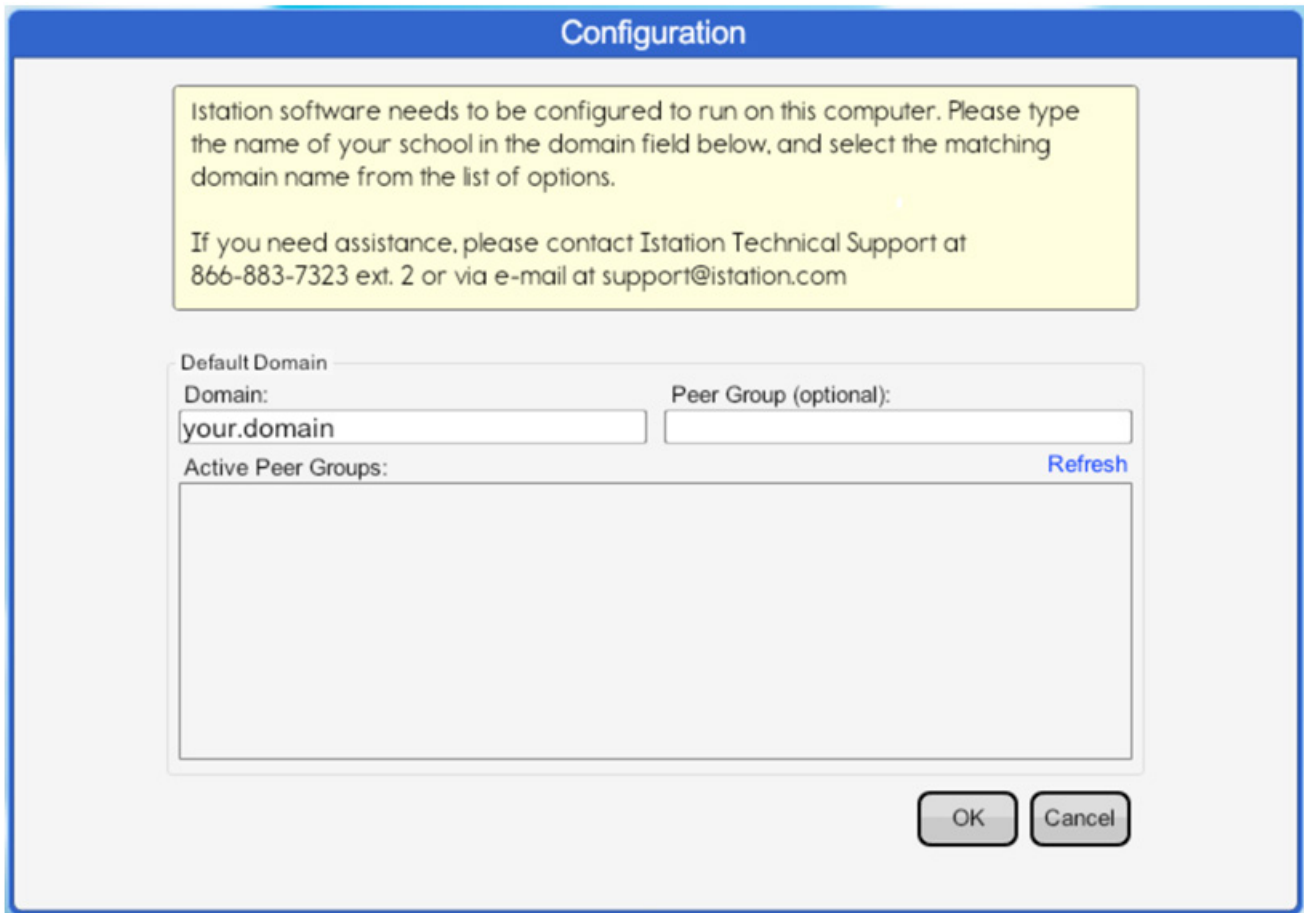

Step 7: Type your school domain in the **Default Domain** box if the **Configuration** screen appears. If you do not know your domain, you may search for it by typing the name of your school.

NOTE: Do not type in the **Peer Group** area.

Step 8: Tap **OK** at the bottom of the **Configuration** box.

The screenshot shows a 'Configuration' dialog box with a blue header. Inside, a yellow box contains instructions: 'Istation software needs to be configured to run on this computer. Please type the name of your school in the domain field below, and select the matching domain name from the list of options.' Below this, contact information for Istation Technical Support is provided: '866-883-7323 ext. 2 or via e-mail at support@istation.com'. The main configuration area has a 'Default Domain' section with a 'Domain:' field containing 'your.domain' and an empty 'Peer Group (optional):' field. Below this is an 'Active Peer Groups:' list area with a 'Refresh' button to its right. At the bottom right are 'OK' and 'Cancel' buttons.

Students, teachers, and administrators can now log in using the **Istation.com** app icon to access the student application.

Remember, teachers and administrators will log in to the Istation website (www.istation.com) to manage any classes or data.

If you need help identifying the Default Domain, or for any other information, contact
